

LAS VEGAS ALCOHOLICS ANONYMOUS
CENTRAL OFFICE

Purchasing AA approved literature from the Las Vegas Central Office offers the most economical method for individuals or groups. Based on the volume of literature we purchase direct from GSO, we do not pay for shipping from GSO and our costs are slightly lower than full retail which we pass on to our membership here in Las Vegas.

For more information about GSO-approved literature, please visit http://www.aa.org/pages/en_US/aa-literature.

CONFERENCE-APPROVED LITERATURE

What It Means to You

The term “Conference approved” describes written or audiovisual material approved by the Conference for publication by G.S.O. This process assures that everything in such literature is in accord with A.A. principles. Conference-approved material always deals with the recovery program of Alcoholics Anonymous or with information about the A.A. Fellowship.

The term has no relation to material not published by G.S.O. It does not imply Conference disapproval of other material about A.A. A great deal of literature helpful to alcoholics is published by others, and A.A. does not try to tell any individual member what he or she may or may not read.

Conference approval assures us that a piece of literature represents solid A.A. experience. Any Conference-approved booklet or pamphlet goes through a lengthy and painstaking process, during which a variety of A.A.s from all over the United States and Canada read and express opinions at every stage of production.

Not All “A.A. Literature” Is Conference-Approved

Central offices and intergroups do write and distribute pamphlets or booklets that are not Conference-approved. If such pieces meet the needs of the local membership, they may be legitimately classified as “A.A. literature.” There is no conflict between A.A. World Services, Inc. (A.A.W.S.—publishers of Conference-approved literature), and central offices or intergroups rather they complement each other. The Conference does not disapprove of such material. G.S.O. does develop some literature that does not have to be approved by the Conference, such as Service Material, Guidelines and bulletins.
