

THE IMPORTANCE OF OUTREACH TO THE HEALTHCARE COMMUNITY

March 27, 2024
4:00 – 5:30 PM Pacific
7:00 – 8:30 PM Eastern

ONLINE WORKSHOP

INSIGHT & DISCUSSION

Healthcare professionals are often the first point of contact for the suffering alcoholic, yet their training in this area has drastically decreased. It's important they know how AA can help. Outreach to the healthcare community can save millions of alcoholics.

Join us to discover:

- Opportunities available to work directly with healthcare professionals
- How AA members can participate in the education of healthcare professionals
- About International Doctors in Alcoholics Anonymous (IDAA)
