

OPEN MEETING OF ALCOHOLICS ANONYMOUS

In keeping with our singleness of purpose and our Third Tradition which states that "The only requirement for A.A. membership is a desire to stop drinking," we ask that all who participate confine their discussion to their problems with alcohol. (The 1987 General Service Conference made this statement available as an A.A. service piece for those groups who wish to use it.)

CLOSED MEETING OF ALCOHOLICS ANONYMOUS

In support of A.A.'s singleness of purpose, attendance at closed meetings is limited to persons who have a desire to stop drinking. If you think you have a problem with alcohol, you are welcome to attend this meeting. We ask that when discussing our problems, we confine ourselves to those problems as they relate to alcoholism
